Financial Policy:

Thank you for choosing Greg A. Crawford, DDS Family Dentistry. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

You can choose from:

1. Cash or Check

We offer a 5% courtesy accounting adjustment to all patients, with or without insurance, who pay for their treatment in full prior to, or on the date of service, with cash or check. For our patients with insurance who elect this payment method, we will be happy to submit your claim for you at no additional charge and your benefit payment will be sent directly to you.

2. Visa, MasterCard, or Discover

3. Payment plans offered through our partner CareCredit²

- No interest plans available - up to 12 months interest free¹
- Convenient, low interest extended plans also available
- No up front costs, no prepayment penalties, no annual fees

For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.³ You are responsible on the date of service for your estimated portion. We estimate your portion as closely as possible based on the information we receive from your insurance company. However, we cannot guarantee insurance payment or coverage. You are ultimately responsible for any fees not covered by your insurance. Since benefits can vary widely, we urge you to be fully aware of your plan's policies and provisions.

A fee of \$40.00 is charged for patients who miss or cancel more than 1 time in a calendar year without 24-hour notice. We have a courtesy reminder service, but if we are unable to reach you, it is still your responsibility to remember the appointment time you have reserved.

There is a \$35.00 charge for a returned check.

If you have any questions, please do not hesitate to ask. We are here to help you achieve a healthy and beautiful smile.

¹If paid within the promotional period. Otherwise, interest assessed from purchase date. Minimum monthly payment required.

²Subject to credit approval

³However, if we do not receive payment from your insurance carrier within 60 days, you will be responsible for payment of your treatment fees and collection of your benefits directly from your insurance carrier.
